ABOUT US

Our mission is to help children with special needs such as developmental disabilities or other health concerns.

Where we feel we are different is that our focus is on smaller organizations, including families and individuals that are out of reach, or sometimes overlooked by, larger charitable groups. Our approach is simple but effective. We sponsor (2) historically successful fundraising events each year - a golf outing in the summer and a cigar night in the fall. These two events go well with the team at Create Hope and our reach in the business community we work and serve. We remain open to sponsoring additional events provided we can meet our objective of helping children in need at the local level.
